Invitation to Strategic Engagement Session: Durban Gateway Terminal | Thursday, 29 October 2026

Dear Valued Customer,

We are pleased to invite you to an exclusive in-person strategic engagement session hosted by **Durban Gateway Terminal (DGT)** on **Thursday, 29 October at 10:00**.

As one of South Africa's key trade gateways, DGT is undertaking a significant transformation programme aimed at enhancing operational capacity, improving efficiency, and supporting the long-term growth of both the Port of Durban and the broader South African economy. We believe it is important to share our strategic vision and future plans directly with our valued customers and supply chain partners.

During the session, we will provide an interactive overview of:

- The role of Durban Gateway Terminal in supporting regional and global trade.
- Our transformation journey and progress achieved to date.
- The commitment of our shareholders and our long-term investment ambitions for the terminal.
- Planned investments in equipment, terminal infrastructure, technology, people development, and process optimisation.
- Our roadmap to increase terminal capacity from approximately 1.8 million TEU currently to 2.8 million TEU in the medium term, with a longer-term vision of reaching 4.8 million TEU.

This engagement is intended not only to share our plans but also to provide an opportunity for open dialogue, enabling our customers and partners to better understand our strategic direction and identify opportunities for future collaboration and growth.

Important Information

1. RSVP Required

Terminal access will be granted only to pre-registered attendees whose names have been submitted in advance. As attendance is limited, registrations will be confirmed on a first-come, first-served basis.
